Week 01 and Week 02

Wednesday 27th Feburary 2019

All I did on this day was discuss with the team on what IT Technologies we were going to use for this project, and what technologies would benefit us out in the industry.

Time Taken: 90 MINS (1 Hour 30 Mins)

Note

On Thursday 28th I went into hosptial to get my Appendix removed. I didn't do any thing for the rest of Week 01, and didn't do anything in Week 02 as I was recovering. I didn't return back to tech until Thursday the following week (7 March 2019).

Total Weekly Mins: 90 MINS (1 Hour 30 Mins)

Week 03

Monday 11th March 2019

I had a dicussion with Jeff, on what sort of things should be added into the Project Proposal. Jeff than told me that we have got a meeting on the 15th March 2019, with the clients (Bay of Plenty Rugby). Jeff than has told me that all the details for the Project Proposal will be outlined during this meeting.

Time Taken: 30 MINS

Tuesday 12th March 2019

I watched videos and looked at documentation on the IT Technologies that will be used for the Project.

Time Taken: 90 MINS (1 Hour 30 Mins)

Wednesday 13th March 2019

Jeff spoke to me and Hamish, that next week we would be starting to have weekly meetings every Wednesday. This is give us time to discuss and outline what the team is meant to accomplish that week.

Time Taken: 30 MINS

~~Friday 15th March 2019~~

~~Had a meeting with the clients BOP~~ Rugby, discussed different ideas for the website and app. In this meeting we also dicused the future of the app and what will be the up and coming features that will be added to the website and application later on.

Time Take: 120 MINS (2 Hours)

Total Weekly Hours: 270 MINS (4 Hours 30 Mins)

Week 04

Monday 18th March 2019

Worked on my objectives for my Project Proposal and started my project scope.

Time Taken: 120 MINS (2 Hours)

Tuesday 19th March 2019

Finished my objectives and I'm 80% the way through my scope and started and finished my risk management.

Time Taken: 60 MINS (1 Hour)

Wednesday 20th March 2019

Had a meeting with the Project Team (Jeff, Dayne and Hamish). Have recorded the meeting minutes for the meeting. I realized after the meeting that I will need to create two more objectives and add more information to some of my existing objectives. My project scope also needs to be rewritten.

Time Taken: 60 MINS (1 Hour).

Thursday 21th March 2019

I re-wrote most of my proposal because of yesterday (20th March). I also did some more learning and video watching about React and Netlify.

Time Taken: 120 MINS (2 Hours)

Total Weekly Hours: 360 MINS (5 Hours)

Week 05

Monday 25th March 2019
